

Friday 30<sup>th</sup> November 2018

Hello Goodrich,

## **Flu vaccinations**

Reminder that the NHS nurses are coming into school on 14<sup>th</sup> December to give Reception to Year 5 their immunisation-nasal flu spray. Many of you have already returned your slip giving / not giving permission for this. If you haven't already, please return your slip ASAP so the office can process it.

## **EYFS Book Sale**

Tuesday 4<sup>th</sup> December

3:30 - 4pm

Veranda outside Class 22

Thank you to the parents who have donated books for our book sale next week. We are still in need of lots of books, so if you have any pre-loved books that you would like to donate (adults and children's); please bring them to your child's classroom by Monday 3<sup>rd</sup> December. Please do not bring them to the office, as they will get mixed up with books donated for the Winter Fair. Thank you! The Reception Team

**SEN** This week our speech and language therapist Emma Corrigan and our speech and language learning support assistant Cass Nicholls held a workshop for parents. The parents who attended were given bespoke learning resources to work with their child at home and had the opportunity to ask questions and get advice. Emma and Cass felt this was a great way of getting to know parents and support them on a more personal level.

Another workshop will be held in the spring term and we hope that we will see an increase in numbers of parents attending. Keep an eye out for further dates!

## **Please note:**

**ALL clubs finish** week beginning 10<sup>th</sup> December and start back week beginning 14<sup>th</sup> January.

**School closes at 2:30pm on 21<sup>st</sup>** December. Please ensure you collect your child on time.

School re-opens 8:55am on 8<sup>th</sup> January .

Children in **Year 3** have been learning how to create a weaving for this term's Art topic - Weaving and the local environment. First they practiced the weaving technique with paper strips. Each class then went up to Dawson's Heights to paint the landscape using watercolours. They captured the autumnal colours of the trees and bushes and have been working hard to recreate the same shades and

tones in their weaving. By the end of the term each child will have their very own weaving which they have created themselves.

Children pictured are from Class 9.

## **Breakfast Club**

Please note that breakfast club starts at 8am. A small number of 7.45am places were allocated by Mr. Velada-Billson last year and these are charged at £4 per day. If you have not been allocated one of these spaces, please wait in the Reception area with your child until Martin, the Breakfast Club Manager comes down to collect the children at 8am. Thank you for your cooperation.

## **Uniform**

The hooded waterproof fleece on display in the office has received positive feedback and we have ordered a small supply which will be on sale after the Christmas break. Cost £15.95. You can also order uniform direct from the supplier at [www.yourschooluniform.com](http://www.yourschooluniform.com)

## **Florence Nightingale Museum Trip Year 2**

The year 2 children went on a visit to The Florence Nightingale Museum this week to consolidate their learning about 'The Lady with a Lamp'. They loved to interact with a real life 'Florence' and to learn all about her life. They particularly enjoyed acting in role with her and seeing some of the children dress up in traditional costumes. I was very impressed to hear all the facts they remembered about Florence and Mary Seacole during their session.

The lovely people at **Christmas Forest** are supplying our Christmas trees again this year

and giving us 3 for the price of 2 - which we're delighted with especially as they raise funds for a charity themselves 'Tree Aid' the charity that plants trees in the African drylands. Locally you can find Dulwich Christmas Forest trees at the cricket ground, across the road from the 'old' harvester (Streatham and Marlborough Cricket Club, Dulwich Common, SE21 7EX)

The nursery and reception kiddos are decorating cardboard stars for the trees that were kindly supplied by **Papershapers**. The trees will be glittering!

**We're getting some new FAKE GRASS!** FoG has paid for the refurbishment and repair of the astro-turf - which is well used and showed it. Mr Dennis is delighted and there should be less skint knees among the kids!

Thanks to everyone who came to the hot chocolate, fruit and raffle sale last Friday. And a big thank you to all the volunteers who ran the hot chocolate, fruit and raffle stalls last Friday.
