Goodrich Summer Fair –

Last Saturday was the Goodrich Summer Fair and great fun was had by all. Thank you to those of you who were able to help on the day.

Goodrich Summer Show The full list of winners will be in next week's newsletter and rosettes will be given out in assembly. Many many thanks to all who entered -and especially to all those bakers who had to switch on their ovens on one of the hottest days of the year!

Joy Mojibola Class 16 would like to say: I entered one of the categories, it was the International dish. It was amazing. I saw all of the entries and some of them were beautifully presented. I made Jollof rice, a food that comes from Nigeria and so do I. I made it with my mum who is really good at cooking. I came second and I was astonished but ecstatic.

PE news of the week - London Youth Games Results! Tuesday saw us take a team of eight girls to the London Cricket Youth Games in Acton, West London. Having won the LPESSN cup we qualified to represent Southwark and started well by winning our group with great wins against William Davies (Newham) and St. Elphege's (Sutton). We lost our final group match against Virginia (Tower Hamlets) but qualified with a greater runs total. We then progressed to the Quarter Finals before being beaten by Millbank (Brent) who were the eventual winners.

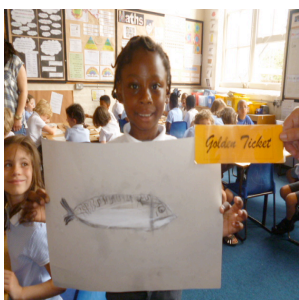

We feel that the girls should be very proud of their performance as we finished joint 5th out of 24 Boroughs! Well done girls!

Please note: Parents please remember to use the black gate entrances at the beginning and end of the day and not the office entrance - unless you have a pushchair or need to speak to a member of the admin staff. The office is extremely busy at these times and 'through' traffic makes it difficult for the admin staff to work effectively and deal with confidential issues. Pupils are also expected to leave by the main gate entrances unless they need to speak to the office staff.

If your child attends an after school club, please note there are no waiting facilities in the building for parents or siblings. You are expected to drop off and collect your child at the start and end of the club session.

Year 2 Art

Year 2 did observational drawings of fish – Mackerel, Skate and Rainbow Trout. Even though there was a *strong* fish smell (we blame the weather for making it worse) that lingered throughout the three classes, the children were extremely focused and artist like in their attitude. They produced some quality work of which they should be proud of. Romari in class 3 received a Golden ticket for his work – well done Romari!

SEN and transition

We have started the process of transition for pupils. **All** children currently in Reception, Year 1 and Year 2 will receive a transition booklet about their new year group and the members of staff who will be supporting them.

Children with **Education Health Care Plans** will be given personalised individual transition booklets that detail their allocated support. There will be photographs too so you and the children will be able to put faces to names.

All children from Nursery to Year 5 will spend an afternoon getting to know each their new teacher before this term ends.

Don't forget Open Evening is a perfect opportunity to meet your child's new teacher and speak to SENCOs about any concerns you may have.

Goodrich Rocks is coming!

Make sure you keep **6 July** free for the music event of the year!

T-shirt competition! Thank you to everyone who worked so hard to come up with super cool designs for this year's Goodrich Rocks t-shirt competition. Competition was fierce but we're delighted to announce the chosen design was created by Dylan Ray Class 6 - Congratulations! You won't have to wait long to see this awesome art work. Come to the upper playground after school on **30 June** to purchase your t-shirts and wrist bands (entry to the event) and also grab an ice pop while you're at it! There will be a further sale on **Tuesday 4 July** for those who can't make the first one.

Marshals We're still looking for marshals to help maintain a safe, fun environment on the day itself. If you can lend a hand, please contact Eilidh on eilidhl@hotmail.com. Please also contact Eilidh if you can help sell t-shirts, wrist bands and ice pops on 30th June and 4th July.

Bar/BBQ volunteers We're looking for volunteers for catering during Goodrich Rocks. As well as the bar, we'll be selling the famous FoGDog, snacks, sweets and popcorn. Please email Jos (jos@fishboy.co.uk) if you can help with the BBQ or Cath (catiw@btinternet.com) if you can help on the bar. Thank you!

++ Summer Fair – thank you! ++

We hope you had a great time at the Summer Fair last week. A huge thank you to our wonderful organisers **Karen Eastwood** and **Jessica Marron**, who did a marvellous job. Many thanks must also go to:

Kim for doing the graphics

Eilidh for being a great compere

Tracy & Craig for doing the decorations

Jos for being the go-to man

Sam for all her support

Jo Hacker for sorting out the coconuts

The set up and closing teams

All the **class reps and volunteers** who helped run all the stalls. And big thanks to the **School Office** and **Steve** and **Youcef** for all their help and support.
