

# Year 5

## Animals including humans

### We are learning about:

- **How humans change as they grow older** (Describe the changes as humans develop from birth to old age)

### We are learning to:

- **Use a scatter graph to record my results** (To be able to communicate data using a scatter graph)
- **Say what I have found out** (To be able to present conclusions)
- **Use evidence to support my findings** (To be able to use evidence to refute or support an idea)
